

UHY DAY 2025

UHY Day is a global celebration that unites UHY member firms in honouring the network's spirit of unity, collaboration and shared identity.

This year's theme, aligned with one of our UHY International core values "Connect and Engage," was embraced enthusiastically across offices worldwide. Teams marked the occasion with branded cakes, treats, merchandise, and decorations, while also participating in team-building activities and collective moments. This involved watching welcome messages from UHY's leadership.

From sharing photos with branded frames on social media to proudly wearing UHY T-shirts and displaying logos, every activity reflected the pride of belonging to the UHY network. More than just a celebration, UHY Day reinforces the values of connection, teamwork, and commitment that define the global UHY brand - highlighting both the richness of local culture and the collective strength of a worldwide professional community.
